

Ryan-

I wanted to thank you for introducing me to your Collect My Rent program. Your service has improved the ease in collecting my rents, while improving the security of our funds flow process. In addition to the ease of the service, the account backup feature has greatly reduced the number of late payments, which has been a direct benefit to not only me, but our residents as well.

As you know, a focus of my organization is credit improvement and repair. Your service is refreshing as it is the first service we have found that provides a viable benefit for the residents as well as the owner/managers. It is for the reason I have, with your permission, placed a link now referring your service to our existing and future clients at the following address.

If you have any questions, or if I can be a reference to anyone, please feel free to call me 970.231.2232

Thank you,
